INTRODUCTION

The Illinois Register is the official state document for publishing public notice of rulemaking activity by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category. Rulemaking activity consists of proposed or adopted new rules or amendments to or repealers of existing rules, including those by emergency or peremptory action.

The *Register* also contains Executive Orders and Proclamations issued by the Governor, notices of public information required by State statute, and activities (meeting agendas, Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State agencies. In addition, the *Register* contains a Cumulative Index listing alphabetically by agency the Parts (sets of rules) on which rulemaking activity has occurred in the current *Register* volume and a Sections Affected Index listing, by Title of the *Illinois Administrative Code*, each Section (including supplementary material) of a Part on which rulemaking activity has occurred in the current volume. Both indices are action coded and are designed to aid the public in monitoring rules.

The *Register* will serve as the update to the *Illinois Administrative Code*, a compilation of the rules of State agencies. The most recent edition of the *Code* along with the *Register* comprise the most current accounting of the State agencies' rules.

The *Illinois Register* is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act (Ill. Rev. Stat. 1985, ch. 127, pars. 1001 et seq., as amended).

Measurement methods used must contain clearly defined criteria, be field tested for utility, consistency, and accuracy, and provide for the training/preparation of all raters/scorers.

Employability Development Planning - Use of assessment results in assigning a youth to appropriate learning activities/sites in the proper sequence to promote participant growth and development, remedy identified deficiencies, and build upon strengths.

Outcomes which meet this requirement shall be restricted to the following:

Competency gains must be achieved through program participation and be tracked in accordance with the system of services specified in the definition of "Youth Competency System" contained in this Section.

NOTICE OF PROPOSED AMENDMENTS

Levels of educational attainment are elementary, secondary, and post-secondary. To obtain credit, completion of a major level of education must result primarily from participation in a JTPA activity. Completions standards:

shall be governed by state standard;

shall include a high school diploma, GED certificate or equivalent at the secondary level; and

shall require a diploma or other written certification of completion at the post-secondary level.

POLLUTION CONTROL BOARD

NOTICE OF ADOPTED AMENDMENTS

15) Summary and Purpose of Rule(s):

The Board adopted an Opinion and Order in R90-11 on May 23, 1991. The Board modified that Order on April 11, 1991. The adopted rules appeared at 15 Ill. Reg. 9462, effective June 17, 1991. However, the text of Table A did not include all of the modifications made in the April 11 Order. The entry for R024, lead was to have been corrected as follows: "0-024Reserved". The Board is therefore republishing the corrected text of Table A as an adopted amendment.

Section 22.4(a) of the Environmental Protection Act (Ill. Rev. Stat. 1989, ch. 111 1/2, par. 1022.4(a)) requires the Board to adopt regulations which are "identical in substance" to regulations adopted by USEPA to implement Sections 3001 through 3005 of the Resource Conservation and Recovery Act. The USEPA regulations, which deal with hazardous waste, are found at 40 CFR 260 through 270. The equivalent Board regulations are in 35 Ill. Adm. Code 702, 703, 705 and 720 through 728.

The term "identical in substance" is defined in Section 7.2 of the Environmental Protection Act (Ill. Rev. Stat. 1989, ch. 111 1/2, par. 1007.2). Section 22.4(a) of the Act provides that Section 5 of the Administrative Procedure Act does not apply. Because this rulemaking is not subject to Section 5 of the APA, it is not subject to first notice or to second notice review by JCAR.

89 Ill. Adm. Code 121.63 "Deductions From Monthly Income"

This rulemaking increases the State Utility Standard from \$170.00 to \$181.00. The 1989 increases in utility costs warrant the increase in the standard. Presently, the rule mandates allowing a \$170.00 per month limitation for utility expenses in the determination of the adjusted net monthly food stamp income. As a result of the increase in the State Utility Standard, some food stamp households may receive an increase in food stamp benefits.

89 Ill. Adm. Code 121.91 "Monthly Reporting"

This rulemaking implements provisions of the Hunger Prevention Act of 1988 (P.L. 100-435). This rulemaking deletes utility expenses and medical expenses of a qualifying member from the items for which monthly reporting households are required to provide verification each month. Households are now required to provide verification of utility expenses only if they have changed and total medical expenses of a qualifying member are changed by \$25 or more. If the household does not provide the required verification of utility expenses, then utility expenses, except for the State Telephone Standard, are not allowed when determining eligibility and level of benefits. If the household does not provide verification of medical expenses, no deduction is allowed. Presently the rule does not allow these provisions. Verification of stopped income is also being deleted.

NOTICE OF ADOPTED AMENDMENTS

SUBPART D: ELIGIBILITY STANDARDS

Section 121.63 Deductions From Monthly Income

The following deductions shall be allowed in the determination of the adjusted net monthly food stamp income:

a) Earned income Deduction

Eighty percent of total gross earned income is considered. (See 89 Ill. Adm. Code 121.40 through 121.54 for a description of earned income.)

b) Standard Deduction

One hundred and sixteen dollars (\$116.00) per household per month.

c) Dependent Care Deduction

1) Payments for the care of a child or other dependent when necessary for a household member to accept or continue employment or to seek employment in compliance with the job search criteria (contained in 89 Ill. Adm. Code 112.70 through 112.73) or to attend training or pursue education which is preparatory for employment.

2) The amount of the deduction is to be determined by the actual costs for care and is not to exceed \$160.00 per month for each dependent household member.

d) Shelter Costs Deduction

1) Shelter costs that exceed 50% of the household's total income after the allowable deductions in subsections (a), (b) and (c) have been made. The shelter deduction shall not exceed \$186.00.

2) If the household contains a member who is elderly or disabled as defined at 7 CFR 271.2 (1987) (1990) and Section 121.61 "Gross Monthly Income Eligibility Standards", there is no limit on the amount of excess shelter deduction.

3) Shelter costs include only the following:

A) Continuing charges for the shelter occupied

by the household (rent, mortgage, and other charges leading to the ownership of the shelter, including interest on such charges).

B) Property taxes, State and local assessments and insurance on the structure itself.

C) Utility Costs

i) Include the cost of heating, and cooking fuel, air conditioning, electricity, water, sewerage, garbage and trash collection fees; basic service fee for one telephone (including tax on the basic fee) of \$18.00; and fees charged by the utility provider for initial installation. Utility deposits are not utility costs.

ii) Those households which are billed for heating or air conditioning, or both, separately from their rent or mortgage may claim the standard utility allowance of ~~\$170.00~~ \$181.00. Households living in rental housing who are billed on a regular basis by a landlord for heating and/or air conditioning costs may use the standard utility allowance if utility usage is determined through a meter or otherwise is verifiable or if the charge for heating and/or air conditioning is separate and identifiable. If the standard utility allowance is used, then no other utility costs may be claimed. If actual utility costs exceed the standard utility allowance, then actual, verified costs may be claimed, except that if a separately-billed phone expense is claimed only the basic telephone allowance of \$18.00 per month is allowed. The client that maintains the same residence may not switch between the standard utility allowance and actual utility costs for a period of twelve months from the time of initial

certification and no more frequently than once every twelve (12) months thereafter.

iii) However, during the heating or cooling season, a household that is billed less often than monthly for its heating and/or air conditioning costs but is otherwise eligible to use the standard utility allowance may continue to use the standard utility allowance between billing months.

iv) Households in public housing or privately owned rental units which receive a bill for over-usage are not entitled to use the standard utility allowance. When households (as defined at 7 CFR 273.1(a)(1987)(1990) live together, the standard utility allowance shall be divided equally among the households which contribute toward the utility costs whether or not each household participates in the program.

v) Households whose heat and/or air conditioning expense is covered by indirect energy assistance payments (Illinois Home Energy Assistance Program [47 Ill. Adm. Code 100]) shall be entitled to the standard utility allowance (7 CFR 273.9 and 273.10(d)(6) [1987][1990]). The provisions of subsection (ii) above, are applicable to households whose heating and/or air conditioning expense(s) are covered by indirect energy assistance payments.

D) Those households which are not billed separately for either heat or air conditioning are not entitled to claim the standard utility allowance but may claim the actual utility amounts for which they are billed separately, subject to the \$18.00 per month limitation for telephone expense.

- 2) utility expenses when actual utilities are used - the amount from the previous month is allowed if no change is reported. Utility expenses are not allowed when determining eligibility and the level of benefits if a change is reported and verification is not provided. h)i) All Food Stamp households which must report monthly shall have benefits calculated by considering income and attendant circumstances on a retrospective basis.

ALLOCATION

(For Alternative Allocation rulings, see that heading)

IT 91-128 05/17/91 Discusses when an Illinois taxpayer is liable for Illinois income tax.

IT 91-176 06/24/91 Business income of a partnership is apportioned, in general, pursuant to a three-factor formula (IITA §304(a)). Nonbusiness income of a partnership is allocated pursuant to §301 through §303 of the IITA. A nonresident partner's share of the business and nonbusiness income is determined by the partnership agreement, on a pro rata basis. IITA §305. Part II of Schedule B (IL-1065 attachment) [Information Applicable to Nonresident Partners Only]. A nonresident partner's pro rata amount of nonbusiness income allocated to Illinois is shown on line 11 of Part II of Schedule B. Both this partner's share of nonbusiness income (allocated to Illinois) and his business income (apportioned to Illinois) are included in line 8, Part II of the 1990 Schedule NR.

ALTERNATIVE ALLOCATION

IT 91-123 05/09/91 Denial of a petition to use separate accounting.

IT 91-145 06/04/91 Separate accounting is allowed only in cases where the taxpayer has shown by clear and convincing evidence that the statutory three-factor formula would result in taxation of extra-territorial values. Clear and cogent evidence must be furnished to the Department that the statutory formula would result in the taxation of extra-territorial values in order before separate accounting may be invoked.

IT 91-148 06/05/91 Questionnaires for Corporate Taxes and Payroll Taxes forwarded.

IT 91-174 06/19/91 Separate accounting is allowed only in cases where the taxpayer has shown by clear and convincing evidence that the statutory three-factor

formula would result in taxation of extra-territorial values. Clear and cogent evidence must be furnished to the Department that the statutory formula would result in the taxation of extra-territorial values before separate accounting may be invoked. 86 Ill. Adm. Code §100.3700(a). Because letter states conclusions, the Department is constrained to deny the relief requested.

APPORTIONMENT - SALES FACTOR

IT 91-104 04/16/91 Discusses the sales factor of a partnership whose income-producing activities are derived from the purchase and sale of securities and other financial instruments for its own account.

IT 91-127 05/15/91 Discusses the taxation of the licensing of intangible property such as trademark, patent, copyright or franchise.

IT 91-173 06/19/91 Letter alleging the possibility of Illinois income tax evasion by S corporations forwarded to Audit Bureau. Illinois law does not provide for a finder's or related fee for information which leads to payment of income tax or penalties.

APPORTIONMENT - OTHER RULINGS (NOT INCLUDED ABOVE)

The 1976 Illinois income tax would not be dischargeable pursuant to Code §523(a)(1)(B)(ii). The listing of a non-dischargeable tax debt is of no consequence and cannot be discharged by so listing.

BASE INCOME

(Also See Addition Modifications, Fringe Benefits, Subtraction Modifications)

IT 91-102

04/16/91 There is no deduction allowed to an individual for moving expenses in the computation of the taxpayer's taxable income for Illinois income tax purposes.

IT 91-139

05/30/91 Discusses various questions relating to the Illinois taxation of individuals who are employed overseas.

IT 91-148

06/05/91 Questionnaires for Corporate Taxes and Payroll Taxes forwarded.

IT 91-149

06/06/91 Even though a portion or all of an alien's income may be exempt from federal income tax, it is possible that the individual may owe an Illinois income tax. CAPITAL GAINS (LOSSES)

(Also See Subtraction Modifications - Valuation Limitation)

- IT 91-104 04/16/91 Discusses the sales factor of a partnership whose income-producing activities are derived from the purchase and sale of securities and other financial instruments for its own account.
- IT 91-132 05/22/91 If the capital gain received by a nonresident partner is business income, then pursuant to IITA §305(a), the partner would allocate to Illinois the partner's pro rata share of so much of the partnership's business income as is allocated or apportioned to Illinois. If, however, the capital gain is nonbusiness income, then pursuant to §305(b), the partner would allocate the partner's pro rata share for Illinois as if the income had been paid, incurred or accrued directly to the partner in the partner's separate capacity. The rules for allocation of nonbusiness income by nonresidents are set forth in IITA §303. The taxpayer's capital gain for Illinois purposes is the same as his gain for federal purposes.

COMPENSATION

- IT 91-87 04/08/91 Illinois follows IRC §3402(e)--the "one-half rule" in which all remuneration is deemed to constitute wages if remuneration for services

EXEMPT ORGANIZATIONS

IT 91-85 04/02/91 An organization whose income is exempt from federal income tax by reason of IRC §501(a), is subject to Illinois income tax only on its unrelated business taxable income, as determined under §512 of the IRC.

IT 91-105 04/16/91 An organization that is exempt from federal income tax by reason of §501(a) of the IRC is also, without application to this Division, exempt from Illinois income taxation except to the extent that it has unrelated business taxable income determined under IRC §512 and is required to file federal Form 990-T.

IT 91-112 04/29/91 Pursuant to IITA §205(a) an organization that is exempt from federal income tax by reason of §501(a) of the IRC is also, without application, exempt from Illinois income taxation, unless it has unrelated business taxable income determined under §512 of the IRC.

IT 91-158 06/12/91 If all of the income of organization is exempt from federal income tax, it is similarly exempt, automatically, from Illinois income tax. If the IRS should determine that an organization is not an exempt organization under §501(a) of the IRC, but instead should report its income in some other manner, i.e. on a U.S. 1120 as a corporation, the organization would normally file a similarly form (IL-1120) to report such income for Illinois income tax purposes.

IT 91-161 06/13/91 Section 205(a) of the IITA provides that an organization which is exempt from federal income tax by reason of §501(s) of the IRC, is exempt from Illinois income tax except for its unrelated business taxable income determined under §512 of

1991 SECOND QUARTER SUNSHINE INDEX

the IRC. This exemption would include an exemption from income tax, including personal property replacement income tax, and estimated income tax payments. If the organization has unrelated business taxable income it would file a Form IL-990T. Exemption from Illinois income tax is automatic by reason of its federal exemption under IRC §501(a); no application for exemption would be necessary.

06/19/91 Section 205(a) of the IITA provides that an organization which is exempt from federal income tax by reason of §501(s) of the IRC, is exempt from Illinois income tax except for its unrelated business taxable income determined under §512 of the IRC. replacement income tax, and estimated income tax payments. If the organization has unrelated business taxable income it would file a Form IL-990T. Exemption from Illinois income tax is automatic by reason of its federal exemption under IRC §501(a); no application for exemption would be necessary.

If the organization has unrelated business taxable income it would file a Form IL-990T. Exemption from Illinois income tax is automatic by reason of its federal exemption under IRC §501(a); no application for exemption would be necessary.

EXEMPTIONS

IT 91-93

04/10/91 It is required that the amount of the exemption is proportioned to base income allowable to Illinois divided by taxpayer's total base income for the taxable year. The time of residence is not a determinative factor.

IT 91-155

06/12/91 Zero exemptions required for a taxpayer who failed to satisfactorily supply sufficient information to verify that taxpayer was entitled to 75 exemptions or any specific number of exemptions.

IT 91-95 04/10/91 The enterprise zone subtraction modification provided by IITA §203(a)(2)(J) is for dividends paid by a corporation which conducts substantially all of its operations in an enterprise zone. The Department has previously ruled that if a business conducts 95% or more of its business operations in an enterprise zone, it will meet the "substantially all" test. A holding company would use the regular three-factor test, as provided in IITA §304(a), to determine the percentage of business conducted in the enterprise zone. The Sections Affected Index lists, by Title, each Section of a codified Part on which rulemaking activity has occurred in this volume of the Register and is divided into two parts: the first lists the Sections on which rulemaking activity occurred in the previous issues of this volume year; the second lists the Sections on which rulemaking activity occurred in this issue of the Register. (The headings at the top of each page indicate the two parts: the first part shows the previous issue numbers inclusively and the date of the last published issue; the second lists the current issue number and date.) The columns in both parts indicate the type of rulemaking activity and the action taken along with the page number on which the first page of the notice of rulemaking activity appeared. If a Section on which action is being taken in the current volume (calendar year) of the Register was proposed in a previous volume, the last two digits of the previous volume's year appear immediately after the page number separated by a slash.
